

IHP Services for Patients on discharge

Now you can trust a **Government approved Home Care Service provider** to help your patients transition from hospital to home...

We offer quality services to your Patients including:

Home settling service - Check essential grocery supplies in the home and replenish if necessary e.g. shop for fresh bread and milk

Medication pick up - From hospital pharmacy or local pharmacy on supply of scripts

Patient support at home - Personal care, medication assistance, domestic assistance, shop by list as requested

My Flex Home Care Support Workers hold current mandatory competencies and are immunised against Influenza and COVID-19

IHP Services for Patients on discharge

Take these 3 easy steps to secure our services

- 1** Email your referral form to ihp@myflexhealth.com.au
- 2** Phone 9427 7500 to speak to our Interim Hospital Consultant to book your services
- 3** Receive our confirmation phone call or email on the placement of services within 24 hours
